Breeding show and Gaedingakeppni

- FG reported that the FIZO assessment is lodged with FEIF and is on the FEIF website.
- TR discussed the sound system. His system will not be suitable in the rain, so do we purchase some or take our chances? Speakers are required for the GK. How will music be available? TR to investigate.
- TR is receiving entries, none have come yet.
- TR has downloaded IceTest and is practicing using it. TR questioned if we want to load classes as a group or individual?
- Flight information for judges. Need to discuss with KC.
- JA to confirm prices for rosettes for a set for each class plus best mare/stallion and feather prizes.
- Mic will be speaker for the oval track classes with Luan Crawford to aid? RF to contact.
- Entry form needs to be altered to include the right test combinations allowed.
- JA to organise flights for Baldvin Ari.
