FEIF Matters

- The group discussed the FEIF conference and the suggested changes to Breeding Rules. No objections were noted.
- The group discussed the breeding judges seminar aimed at national breeding judges who wish to become international judges, unfortunately we do not have such a delegate to send.

Studbook Matters

- FG discussed and reported recent DEFRA updates.
- FG has been talking to other UK PIOs about the PIO's responsibility to report offences (such as not sending in passport within 30 days following sale or death for example). FG had discussed this with the local trading standards who felt that there is no need to report minor offences where there was no evidence of fraud. FG will revisit this matter and try to get more clarity.

AOB

- The suggested GK date looks as if it won't be possible. The group is to think about when we can run another GK this year, it can be a GK weekend or tagged onto another event such as the Easter Show? FG to investigate further.
