#### Studbook matters

- FG updated the group on the new EU law which is effective 1<sup>st</sup> Jan 2016 and what it means to us as a PIO:
  - a) The UK has an exception until 1<sup>st</sup> July, so for the next 9 months the UK does not have a law until the new law is in effect. DEFRA has a phased approach so we need to decide which parts we need to ensure we comply with first.
  - b) Passports are likely to look different, for example one page will be laminated. FG to confirm how this will be done and she is in touch with Iceland.
  - c) All forms and information on the IHSGB website will need to be updated
  - d) Owners need to keep the 'foodchain' status updated in their horses passports
