Breeding assessment/Gaedingakeppni

- The group discussed the aims and goals for a yearly breeding assessment/Gaedingakeppni:
 - 1) It would be fantastic to be able to have more 1st prize stallions or mares but this is not so easy in practice with our small base in the UK of riders/breeding stock.
 - 2) For a young horse breeding assessment, only one judge is required who looks at gaits and conformation. This could be combined with a GK.
 - 3) A subcommittee might be needed to help organise the event.

Studbook Matters

- FG discussed issues that she has dealt with. Prices of duplicate or foal passports were also discussed and agreed to being increased to cover new costs (particularly of laminated pages). FG to talk to Iceland to confirm costs from them.
- Reporting to DEFRA/Trading standards. FG is concerned that problems may arise within the IHSGB if everything gets reported, despite that the IHSGB report less than most PIOs. As a PIO we are required to report known issues.
