### Agenda

Gaedingakeppni 2016  
AOB

#### Gaedingakeppni:

- In the event that we have no entries for a YHA - We will offer the second and any further horses for a reduced rate of £ 35, then we will have the a number of entries at Mic's and Smari's.
- We can take Johannes to Wales. I was wondering if Kristina could bring Johannes to j19 on the M4 (Bath turnoff), then I could take him to Wales, we could stay over at Jan's and do the judging as early as possible on Saturday morning. If Smari was interested, we could go there afterwards, before driving to Manston.
- We also have 24 individual class entries so far (no definite infos yet from Nadine, Mike, Elisabeth, Kristina, Becca, Agnes and the Russian student), so let's hope the missing entries will be at least 10, then we will be about break even for the Sunday.

- Tim Hutchinson has 2 first price stallions in the UK for breeding and is planning to offer them for AI next year and beyond. They are IS2007135069 - Vaðall fry Akranesi with a BLUP of 118 and a total FIZO score of 8.36, and IS2004187660 - Gandálfur fry Selfossi with a total FIZO score of 8.46 (riding abilities 8.72!) out of the famous Alfadis fry Selfossi and Gustur fry Holi, and a BLUP of 126!!!

Perhaps people with young horses need an incentive to have them judged in the YHA, so I phoned Tim today in order to find out if he couldn't offer a reduction in the covering fee for mares that haven't been assessed and are too old now to be presented in a FIZO, BUT who's foals/offspring had a mark of 8 or over in a YHA. He liked the idea and we agreed that the breeding team will work out a proposal of covering fees for FIZO assessed mares, and for unrepresented mares with YHA marked offspring, and to send him our ideas. He will then decide on the actual fees for next year.
