## **OVAL TRACK and PACE TRACK**

**There are several classes on offer to suit horses and riders of varying abilities. All classes offered are ridden under FEIF sport guidelines\*.**

**In the oval and pace track classes, each horse/rider combination may compete in only ONE gait class, and only ONE tölt class. Horses may be shared (i.e. ridden by more than one rider) provided the sharing riders are not entered on any horse in any Sport A, B or pace class throughout the duration of the competition. Each horse is subject to the maximum number of classes a horse is allowed to compete in per day according to the FEIF guidelines. In addition to number of permissible starts per day horses may compete in Lead Rein and Dressage.**

## **‘Team Test 2k18’**

Each entry will be randomly placed in to a team. On the first day of competition, teams will be announced and each team must produce a name.....then your scores throughout the tournament will be added to your team overall points. There will be team ‘fun’ events on Saturday evening (without horses) which will also contribute towards the overall team points. A lot of fun to be had and support for your team mates a must!

## **2018 Summer Festival will run as a World Ranking event for A and B sport.**

There will also be the added bonus of a second WR event on Friday for those wishing to gain WR scores.

**For full details of the tests and a guidance, please see**

### YT8

### YV5

As above T8 & V5

*If there are insufficient entries for any class, the organisers reserve the right to combine the class with another one of a similar type.*

**Lead rein walk and trot/tölt:** This class is open to any rider age 10 or under, on any horse (even if the horse is used by another rider in oval track classes). There is no entry fee. Only to be held if there are 3 or more entries. Entries must be in advance of the show, so that we know entry numbers. Guidance for entrants - No curb bits, lead rein attached, riding type boots which must have a heel. Correctly fitting hat and stirrups (no feet in leathers). Leaders 16 + over - any queries, please contact Kirsty Carson.

## PACE TRACK

**PP1** Pace Test: Riders are judged on transitions into and out of pace, and a 100m timed stretch of pace.

**P2** Speedpass: Riders are timed over a 100m stretch of pace after a flying start.

For full details of the classes (especially PP1 which has very precise requirements) go to **[www.feif.org](http://www.feif.org)** and download the **FEIF General Rules**. If you want to know exactly what the judges will be looking for and how they decide exactly which mark to give, look at the Judges' Guidelines. Both these are found in the "Download" section.

Riders placed 1-5 after the qualifying round of an oval track class will ride in the A final for that class the next day.

If a rider qualifies to ride in a final on more than one horse the rider may choose which horse he wishes to ride in the final and the rider's other horses must then be withdrawn from the final. It will not be possible to get another rider to ride the other horse in the final. Where there are any withdrawals from the top 5 placings a lower placed horse/rider combination will move up into the final.

1) Sport A & B finals (except T1/T3) will be merged where the total number of participants in the combined final will be 6 or fewer.

2) Youth and Sport C (T8/V5) finals will be merged where the total number of participants in the combined final will be 6 or fewer.

3) Unless a final is merged, there will be no finals where there are fewer than 3 entries. Results will be declared on the order in the qualifying round.

4) Where there are fewer than 3 entries in a class, participants may elect to ride in a different class. Participants will be notified after the close of entries

5) B-finals will be run where the number of entries is 20 or more.

Riders placed 6 to 10 after the qualifying round will ride in the B Final. The winner of the B final will be allowed to compete in the A final with the riders placed 1-5 in the qualifying round.

#### OTHER CLASSES

**Best of Four class**      For any rider who has not qualified to ride in a final on Sunday. Riders compete in small groups directed by the speaker, showing tölt, trot, walk and canter on one rein. The lowest marked gait will be disregarded, and an average of the 3 highest marked gaits will determine the final placings. Riders who have competed on more than one horse during the competition will be eligible to compete in "Best of Four" only if none of their horses have qualified for a final. In this case, the rider may choose which horse they wish ride in the "Best of Four" class. **Passports and vaccinations:** It is now the law that all horses must have a passport which should accompany the horse. Horses coming to the show will have their passports checked (to ensure that the passport matches the horse and that flu vaccinations are up to date) on arrival, and **horses without passports will not be allowed to enter the showground or to take part in the competition. Horses must have up to date vaccination certificates showing correct initial flu vaccination with timely annual boosters or they will not be allowed to enter the showground or to take part in the competition. (see [www.ihsgb.co.uk](http://www.ihsgb.co.uk) for details)**

FEIF Guidelines apply: Please take especial note of sections concerning Tack, Shoeing, and Protective equipment.

### **Tack & Equipment:**

- In the IHSGB youth, C sport, dressage and T&T, standard British shoes over 10mm thick will be allowed provided the cross sectional area is not greater than 230mm<sup>2</sup>.

- Hoofboots are also allowed in these classes – maximum weight including additional protective equipment 600gms per hoof/leg.
- No more than 250gms difference between front and hind.
- Apart from this, **FEIF equipment rules will be applied to all classes**. This means riders must be particularly careful that the tack they are using is allowed. **Any equipment that the judges deem not to be within the rules will cause the horse to be disqualified from that particular class**. We urge riders who may be unsure about what equipment is allowed, to ask at the Friday meeting, before the main competition starts.

Please note that the Icelandic horses are meant to be shown in their “natural state” but horses may be clipped for welfare reasons. Please take time to read through the FEIF Code of Conduct, and remember that to many “normal” horse riders some of us appear to be on the large side for our little “ponies”. It is therefore doubly important that we are scrupulous in our general care, riding and tending of the horses at all times. Judges will award yellow (or red, in severe cases) cards or warnings for rough riding on and off the track.

Riders’ attire is not subject to any rules other than that riding hats and suitable footwear must be worn when mounted. *Riders are asked to be appropriately dressed and to be tidy out of respect for our judges.*

**The organisers reserve the right to alter the programme, cancel a class, restrict the number of entries, or refuse an entry at their discretion.**

Competitors and spectators attend the show at their own risk and shall free and relieve the landowners, the organisers and the Icelandic Horse Society of Great Britain (IHSGB Ltd) of any liability in relation thereto to the full extent permitted by the law including without prejudice the foregoing: accident or injury to persons or animals, damage, loss, or theft of vehicles or property. Competitors and spectators shall be bound to satisfy themselves that the organisational arrangements and facilities are acceptable to them before participating. All participants should have personal insurance.

Challenge trophies remain the property of the IHSGB and must be returned after 12 months or before the next championship show.
