<b>Minutes approved</b>		
<p><b>This year’s team for the WM: are we aiming for “small and best”? Or “widening participation”? In other words, how much will we be insisting on our qualifying marks, and attendance of training events?</b></p> <p>As both my phone and the internet broke down...</p> <p>Either way – for the minute, on the question of what we are aiming for:</p> <p>the sport group aims for widening participation according to the criteria agreed with the trustees. In other words, we welcome new riders reaching the minimum qualifications for the WM (as laid out by IHSGB rules), but other criteria, such as participating in team events, are of equal importance. The final selection for the WM 2017 in Oirschot will be made by the selection committee.</p> <p>Apologies for missing everything else</p> <p>Gundula</p>	MA

<p><b>1. Regional Representation</b></p> <p><b>Question:</b> do we need regional reps who seem inactive? Ongoing, in discussion at Trustees’ meetings. Again, the Sport Group would urge the Trustees to move the discussion forward, and also to have a trustee responsible for (communication</p>		MA

with) members.
