

**Date** 20.9.16, via conference call

**Present:** Ellen Brimble (EB), Freija Glansdorp (FG), Jemimah Adams (JA).

**Agenda**  
Gaedingakeppni 2016

**Gaedingakeppni:**

- Speaker / Helper to input data: we haven't got anyone yet, Jem will email Lu to see if she's available, Ellen will contact Mic
- Kristina emailed her update about the flights for our judges – it was discussed whether we could buy a ticket with cancellation option for Disa in case we don't get any entries for FIZO classes that require 2 judges. I had a look today and this type of ticket is so much more expensive that it's best to buy the cheapest normal ticket and bear the cost if we have to cancel Disa.
- Kristina, you mentioned there was something else you wanted to organise, I think it was to bring your camera, right?
- We've received the first entries today and a cheque for £ 75, let's hope it's the beginning of many more to come.....)
- Cottage accommodation for helpers: 1 room in the cottage is reserved, please can every helper that requires a room, let us know?
- Final schedule to be decided after entries close 2nd October, how does Tuesday 4th suit everyone for a call to decide on it?
