Seminar/GK end of September or beginning of October:

- Baddi would be pleased to come, give a speech during our seminar and be our judge/teacher for the GK. Jem will find out how much he charges and will advise. JA
- Jem will also speak with the horse physio – we decided the physio is perhaps more interesting than the chiropractor as she takes about 1 to ½ hours for a horse and could explain in detail what she does. She would also be able to inform about suitable exercises for specific problems, which might be very useful for all. Andrew is willing to tell us about shoeing of gaited horses. JA
- Exact date to be decided asap, so that we can advertise it.

AOB:

- FEIF breeding judge update:

Just FYI – FEIF are changing the rules about the breeding judge licences: in the future every breeding judge must judge at least 5 breeding shows per calendar year in order to retain the license. If a judge fails to do it, he has to retake the full breeding judge exam in the following year. It is felt that there are too many breeding judges and the aim is to have a smaller number with more experience.

Date of next meeting: 5th July 2017 at 8.30pm via powwownow
