

## INVITATION TO THE IHSGB BREEDING SHOW WEEKEND 25/26<sup>TH</sup> APRIL 2020

The Breeding Team is pleased to invite you to a weekend packed with activities that will offer something to riders and spectators alike.

The attached documents include entry forms for the different breeding assessments on offer, as well as more in-depth information.

Alongside the breeding show, we will also organise a **SALES HORSE** show. If you are looking for a new horse or thinking of selling one, this might be the perfect opportunity to meet with potential new horses or a buyer. For those of you who live far away but would like to sell/purchase a horse, please contact us and we will provide an advertising template to fill out, so that we can put you in touch with prospective buyers.

Finally, for all those who would like to watch and learn, you can participate in a **Seminar** that will run alongside the show. There is a nominal charge of **£10/day** to take part. One of our judges is also a teacher at Holar in Iceland and she will demonstrate different ways of training a horse from the ground. Both judges will explain their judging during the show, the second judge will give a breeding presentation, there will be a question-and-answer session, we will talk about shoeing, etc.

We will also offer catering on Saturday and Sunday during the day.

For those who would like to enter their horse/s for the breeding assessment, we also offer training / preparation help / presentation packages. Details and cost will be published soon on the website and social media, but if you contact Ellen on [breeding@ihsgb.co.uk](mailto:breeding@ihsgb.co.uk), we can already send you the details by email.

We hope to welcome lots of participants and spectators.
