	<p>1. AGM</p> <p>The focus of the meeting was on ensuring that the AGM would run smoothly. PH ran through the agenda for the AGM. Only minor adjustments were needed. The Chair thanked Ian Pugh on behalf of all the Trustees for organising the and managing the Webinar. I.P. suggested that it would be useful to have some sort of feedback/survey after the meeting to gauge how members felt about how the meeting ran. The focus to be on the technology rather than the content of the meeting. I.P. volunteered to send out an email after the meeting thanking people for attending and asking for them to complete a short survey/questionnaire.</p> <p>2.</p> <p>Long (IHSGB) Membership awards. This has been raised by a member suggesting that some kind of recognition be given to long standing members. It was suggested that the members who suggested this be asked to look at different ideas/costings etc. P.H. to email them.</p> <p>3. I.P is currently working on a 'copy' of the web-site. At present working on changing the 'theme', including more pictures and moving some things to a more prominent position, e.g. the Smile link. He's working on reducing the amount of screen space the menu takes up and on improving the general layout. Content has not changed to date. There was a brief discussion about the horses for sale page. Could those advertising 'manage' their own adverts? Would it be possible to open this page to other countries for a charge. This will be an item for discussion at the next meeting.</p>
