TERMS OF REFERENCE FOR THE IHSGB TEAMS – BREEDING, SPORT AND YOUTH

FROM OUR ARTICLES:

The Powers of trustees stipulate that the trustees shall manage the business of the Society and may exercise all the powers of the Society unless they are subject to any restrictions imposed by the Companies Acts, the articles or any special resolution.

Trustees may then delegate as per Article 43:

- (1) The trustees may delegate any of their powers or functions to a committee of two or more trustees but the terms of any delegation must be recorded in the minute book.
- (2) The trustees may impose conditions when delegating, including the conditions that:
 - the relevant powers are to be exercised exclusively by the committee to whom they delegate;
 - no expenditure may be incurred on behalf of the Society except in accordance with a budget previously agreed with the trustees.
- (3) The trustees may revoke or alter a delegation.
- (4) All acts and proceedings of any committees must be fully and promptly reported to the trustees and published to the members.

AS AT SEPTEMBER 2015, TEAMS EXIST FOR BREEDING, SPORT AND YOUTH

1. Teams shall consist of the Trustee Lead and at least 3 other members of the Society, the majority of whom should not be Trustees. Because we do not require these teams to have 2 participating Trustees NO powers are delegated to them. (Ref Article 43.1)
2. A Quorum shall consist of the Trustee +2.
3. The Trustee Lead shall provide a quarterly progress report on current issues to the Trustees and fully record their meetings. Their minutes should be published in a timely fashion.
4. Having considered each matter **the Teams will make recommendations to the Board** where their actions will commit expenditure on behalf of the Society (except where that spend will be in accordance with a budget previously agreed with the trustees) or where their actions/proposals suggest changes to the Rules/Guidelines of the Society or impact, directly or indirectly on the rights or obligations of a class of membership.

5. **It is for the Board to then, collectively, decide whether the membership needs to be consulted and how the proposal is taken forward.** Accepting that some issues may require urgent attention, the Board shall make every effort to find time to convene and consider any proposal.
6. Consultation and/or informing the membership may be via the IHSGB Newsletter, email list or other means of communication. It may include Social Media but may not rely on this. On occasion, resolutions/special resolutions may need to be written and taken to the membership at a General or Annual General Meeting.
